

In order to maximize the space with the limited time we have, there will be multiple lanes (4) during morning drop off and all students will be dismissed from their cars, until the next load of cars are permitted into the parking lot. Parents, be careful to follow the directives of the staff and volunteers as to avoid any injuries, or parking citations. **The parking lot in the mornings and the afternoon will be filled to capacity, so that all students are dropped off and picked up while the lot is filled with cars.**

All kindergarten and first grade students will be dismissed from the gym this year. Parents will need to park their cars and escort children from the gym to their vehicles.
