

Georgia Parent Survey

The **Georgia Parent Survey** is also modeled after the student survey and contains 24 questions. Parents may complete the survey using their personal computer, smartphone, or tablet. For parents who do not have access to the Internet, school administrators should consider scheduling dates and times to allow parents to complete the Georgia Parent Survey at school. All parents should be encouraged to participate in the Georgia Parent Survey because the data will be used as part of the calculation of the School Climate Star Rating. Survey responses are anonymous, self-reported, and will be submitted directly to the Georgia Department of Education for analysis. The Georgia Parent Survey is also available in Spanish. Parents may select the Spanish version within the survey. The Georgia Parent Survey link is posted below.
